FEBRUARY CLUB MEETING

We are looking forward to enjoy our monthly club meeting for February this forthcoming Saturday **10 February 2018** at our **clubhouse in Ysterhout Street, Birchleigh from 14h00 onwards.**

The plan was to arrange a visit to the tracking station at Hardbeeshoek, but this will not be possible and will definitely be happening sometime soon so watch this space!!!

We will set up a **field station** at the club house and **participate** in the **SARL National Field Day competition** as a club. Let's make this a club meeting and event to remember!!!!

Next thing on the agenda will be the SARL National Convention that will take place over the weekend of 13 to 15 April. This again will coincide with our April club meeting. In the past we as a club rocked up in numbers, especially when it's on our door step as is the case again this year!!! So will we or not? Let's have a good debate and take it from there.

As usual and if we have enough members that are interested, we will end the meeting with the traditional bring and braai, so make sure you bring something to enjoy afterwards. We will have some cold drinks in the cooler box, so make sure to bring some cash to feed the green monster!!!

It would be great to see as many members and visitors as possible.

See you all there!
